

# Make your own Pocket Tiny

1. Print page at 100%
2. Colour in Tiny
3. Glue onto stiff card
4. Cut out both drawings
5. Glue head B on top of head A (but leave Tiny's arms and nose unglued.)

Don't cut out the hole.  
(It will be stronger  
if you don't.)

6. When dry, put Tiny in your front pocket and take her on an adventure!
